

Quiksilver

Retail Planning Manager

- **Leading global brands**
- **Fun, dynamic team environment**
- **Surfcoast location**

Quiksilver and Roxy represent a lifestyle that is dynamic and spirited. These two great brands now present one big opportunity - an exciting Retail Planning Manager role based in Torquay on Victoria's Surfcoast.

Working closely with the Retail Buying team, key responsibilities include -

- Management of a small dedicated planning & allocation team
- Allocation of product to Company owned retail Stores nationally
- Analysis of historical sales and market conditions, and applying dependable metrics into improving product mix into our Retail Stores
- Input into product transfers and markdowns to ensure sell through of stock at optimal margins
- Build and Monitor OTB Management and Forecasting.

This role is strongly analytical, and will appeal to outstanding candidates who have the following experience and skills -

- Demonstrated leadership & strong communication skills
- Advanced MS Office skills, particularly in reporting
- Ability to gather and use information from a number of sources in determining optimal forecasting
- Demonstrated experience and understanding of the retail environment - ideally with exposure to Inventory merchandising or similar

Quiksilver employees enjoy a team based culture that values lifestyle, the environment and the community in which we work. Quiksilver offers a competitive benefits package as well as genuine career and development opportunities.
